1. Purpose and Scope

1.1 This policy sets out the standards of behaviour expected of everyone who works at or for Nexora Labs.

1.2 The purpose of this code is to protect colleagues, clients and the company from harm.

2. Professional Behaviour

2.1 All employees must treat colleagues, clients and vendors with courtesy and respect.

2.2 Every employee must acknowledge the Code of Conduct in writing within seven calendar days of their joining date.

2.3 Employees must not make public statements on behalf of Nexora Labs without approval from the Marketing lead.

3. Conflicts of Interest

3.1 Every employee must declare any conflict of interest in the HR portal within fourteen calendar days of joining.

3.2 Employees must not hold a paid role with a competitor or a direct client without written approval.

3.3 Project Managers must declare any personal relationship with a client stakeholder before being assigned to that account.

4. Gifts and Hospitality

4.1 Employees must not accept gifts from clients or vendors worth more than fifty US dollars.

4.2 Every gift or hospitality offer above that value must be recorded in the gifts register.

4.3 Employees may accept modest hospitality such as a working lunch.

5. Harassment and Reporting

5.1 Employees must not harass, bully or discriminate against any colleague, client or vendor.

5.2 Every employee must report harassment they experience or witness to HR or through the confidential reporting line.

5.3 Every employee must complete the Respect at Work training before the end of their first thirty days.

5.4 Employees are encouraged to raise concerns early, even when they are unsure.

6. Social Media

6.1 Employees should add a disclaimer to personal social media profiles that mention Nexora Labs.

6.2 SEO Specialists must not post client campaign results on personal accounts without client consent.
