1. Purpose and Scope

- 1.1 This procedure describes how the Data department accesses the warehouse, prepares datasets and publishes dashboards.
- 1.2 This procedure is read together with the Data Privacy Policy (POL-PRIVACY-004).

2. Warehouse Access

- 2.1 Data Analysts must request warehouse access through the access portal within seven calendar days of their joining date.
- 2.2 Data Analysts must complete the Warehouse Fundamentals module before receiving query access.
- 2.3 Warehouse credentials must not be embedded in notebooks or dashboard connections.

3. Anonymised Datasets

- 3.1 Data Analysts must use the anonymised warehouse replica for all exploratory analysis.
- 3.2 Data Analysts must not export datasets containing customer records to personal spreadsheets.
- 3.3 A dataset shared outside the Data department must have at least one peer review for re-identification risk.

4. Dashboard Publishing

- 4.1 Data Analysts must obtain sign-off from the dashboard owner before publishing a dashboard to clients.
- 4.2 Published dashboards must show the data refresh time and the source dataset.
- 4.3 It is recommended that Data Analysts reuse certified metrics from the metrics catalogue.

5. Query Hygiene

- 5.1 Data Analysts should schedule heavy queries outside business hours.
- 5.2 Data Analysts may create personal sandbox schemas for experimentation.
